PIPELINE AWARENESS

We ask all our members to be aware of the following:

GAS LEAK EMERGENCY SERVICE

PIE&G's special gas leak hotline is **800.655.8565**. This number is designated for gas leak reporting only. Operators cannot take or transfer calls relating to other topics. PIE&G has emergency services available 24 hours a day, seven days a week. Call 911 to report broken or open lines when there is a release of gas.

NATURAL GAS PIPELINE MARKERS

Natural gas pipelines are buried and may be marked. However, the markers may not always show the exact location of the pipelines or the direction they follow. For an exact location please call 811 (Miss Dig) and utilities will be marked within 3 business days. Damaging or removing pipeline markers is against the law – punishable by fines and/or jail time.

PIPELINE INTEGRITY

To protect the integrity of our natural gas pipeline system, we inspect and perform maintenance, such as corrosion control, leak surveys, and replace pipeline when necessary. For your safety, our employees are trained to monitor and inspect our pipeline system and respond quickly to any natural gas emergency.

All members should acquaint themselves with these subjects regardless if they have natural gas services with PIE&G.

Communities First Fund

SCHOLARSHIPS FOR GRADUATING SENIORS

The PIE&G Communities First Fund has been awarding scholarships to graduating high school seniors since 1999. The scholarship program includes **ALL** accredited colleges or universities located in Michigan and the award is \$1,000 and payable upon successfully completing the first term.
