

COMMUNITIES FIRST FUND

The PIE&G Communities First Fund was created in 1998. Funds for the program are generated by our members who have volunteered to “round up” their utility bills to the next whole dollar. The average contribution is about 50 cents per month, or around \$6 annually for enrolled monthly accounts. Seasonal members won't pay more than \$1 on their annual bill. All contributions are tax deductible.

Please consider participation by printing off and filling out the enrollment form, or by calling our Member Services Department at 1-800-423-6634.

After completing the form, you may drop it off at our office or mail the completed form along with your utility payment to PIE&G, P O Box 308, Onaway, MI 49765. Together, these small donations add up to make a BIG difference in northeast Michigan - over \$1.5 million has been awarded to date! Thank you!
