
**SEASONAL RESIDENTIAL SERVICE
SCHEDULE S**

Availability

Available to any Member-Consumer who desires service for domestic use on premises that serves as a secondary dwelling for those services that are usual in a dwelling of this nature. This rate is not available for resale purposes, or for any non-residential use.

Any Member-Consumer who receives service under this rate, consuming more than 7,200 kWh during the prior billing year may choose to take service under the Cooperative's Residential Service, Schedule A. Seasonal Member-Consumers taking service under Schedule A whose consumption does not attain 7,200 kWh's during two consecutive billing years shall be returned to the Seasonal Residential Service, Schedule S. A written agreement between the seasonal Member-Consumer and the Cooperative is required for those meeting these requirements and electing service under Schedule A.

Any Member-Consumer who receives service under this rate and installed equipment satisfying the "Type of Service" requirements on Schedule EEH (Sheet No. 18.00) is eligible for concurrent service under Schedule EEH, regardless of annual consumption. Any Member-Consumer who takes service under schedule S concurrently with Schedule EEH, shall be billed once per month and is responsible for monthly meter readings as noted on Schedule EEH, Sheet No. 18.00. Tax Adjustments

1. Bills shall be increased within the limits of political subdivisions which levy special taxes, license fees or rentals against the Cooperative's property, or its operations, or the production and/or sale of electric energy, to offset such special charges and thereby prevent other Member-Consumers from being compelled to share such local increases.
2. Bills shall be increased to offset any new or increased specific tax or excise imposed by any governmental authority which increases the Cooperative's cost of providing electric service.
